Like you, we are watching the situation in Ukraine with great sadness. The worsening hostilities will have severe humanitarian consequences for the people of Ukraine, some who have already endured years of instability.

Money raised will enable the Red Cross and Red Crescent Movement to respond to humanitarian needs generated by almost eight years of conflict, as well as preparedness and response efforts due to heightened tensions in Ukraine. The support could include preparedness, immediate and ongoing relief efforts, long-term recovery, resiliency, and other critical humanitarian activities as needs arise, both in Ukraine and surrounding countries, including supporting populations displaced.

Thank you for your continued generosity and for showing the world that **REALTORS Care®**.
